Dear Governor and Cabinet Members,

It is with mixed emotions that I tender my resignation effective September 15, 2009, as Executive Director of the Department of Highway Safety and Motor Vehicles. My 2 ½ years as Executive Director have been some of the most challenging and rewarding times of my career and your support has been essential to our success.

I am proud of the work we have done over the last 2 ½ years to support your initiatives and move the agency forward, ready for the future and focused on the safety and security of Floridians and visitors alike.

I thank you for the opportunity to serve you and the people of this great state in a role that positively impacted people's lives. I also thank you for the constant and unwavering support of our efforts, initiatives and members. The men and women of the Department are committed to service and they are a proactive, professional and proud group that is focused on leading the way to a safer Florida.

It has been an honor and a blessing to be a public servant these last 12 years. I am looking forward to an opportunity that has been presented to me in the private sector with new challenges and new adventures waiting on that horizon.

Thank you again for this wonderful opportunity. I wish you all the best and I look forward to working with you in the future.

Sincerely,

Electra Theodorides-Bustle
