It's widely recognized as market dominance when a newspaper reaches more than 40% of the market on a given day. Every Sunday, the **Tampa Bay Times is read by 43% of all adults in the Tampa Bay market** (*Tribune* 27%) — and that's in an area with two papers! Incredible.

With that kind of reach, there's only one newspaper you need to advertise in: the *Tampa Bay Times*! **One Bay, One Buy.**
