### Brad Sienkiewicz, Tampa Prep

**Why we picked him:** When people think of Tampa Prep, they often think of the team's high-octane offense. But the truth is, no player on the Terrapins' Class 2A state championship squad was more valuable than Sienkiewicz. A 6-foot keeper who will play for USF next year, Sienkiewicz allowed just 17 goals this season in 31 games. At the final four, he didn't surrender a goal. "Brad was fantastic," Terrapins coach Jose DaCosta said.

**Year/position:** Sr., keeper

**Most impressive accomplishment:** Sienkiewicz had more shutouts (18) this season than goals allowed.

**Did you know?:** Sienkiewicz is hooked on golf. When he isn't playing soccer, you can often find him on the links. His dream course? St. Andrews in Scotland.
