

## All-Pinellas County team

# Girls soccer

### First Team

**F Taylor Mattox, Sr., Seminole:** Scoring 21 goals and assisting on 25 others, Mattox is one of the county's all-around best. She'll suit up next year for Wake Forest.

**F Leah Fisher, Jr., East Lake:** Just thinking about the Notre Dame commitment's speed makes opposing coaches break out in a cold sweat.

**MF Katie Blades, So., Dunedin:** Routinely labeled as one of the best pure soccer players as a sophomore, Blades' best is yet to come.

**MF Shannon Healy, Sr., PHU:** The Hurricanes' biggest threat on set pieces, Healy, who had a team-high 11 assists, will play for Samford University in Alabama.

**MF Tessa MacGregor, Sr., East Lake:** MacGregor, who ended the year with 12 goals and seven assists, was instrumental in the Eagles' run to the state semifinals.

**MF Andrea Rodrigues, Sr., St. Petersburg:** Injured early in the season, Rodrigues — headed to UCF in the fall — was in top form by year's end.

**MF Molly Stack, Sr., PHU:** One of those rare midfielders who can single-handedly control a game, Stack consistently out-works everyone on the field.

**D Christina Barchel, Sr., Seminole:** The best defender on a stout Seminole defense, Barchel had a dominating season, Warhawks coach Steve Kuplicki said.

**D Ellycia Colon, Jr., PHU:** The Hurricanes routinely stuck her on the opposing player's best forward. Nalley says she "hates going against her the most."

**D Jeannel Huffman, Sr., Countryside:** One of the county's top forwards last year, Huffman selflessly moved to sweeper to anchor the Cougars defense.

**GK Ali Burnham, Sr., East Lake:** In a year of talented keepers, Burnham's three clean sheets during region play stood out.

### Alicia Nalley, East Lake

**Why we picked her:** Nalley finished second in the county in goals (27) and third in scoring (65), but it was her all-around play that set the junior apart. "Alicia could play defense if we really wanted her to," East Lake coach Raleigh Daves said. "She made everything happen for us." Nalley was the maestro behind East Lake's unexpected run to its first state final four.

**Year/position:** Jr., midfielder

**Did you know?** Nalley, a member of Florida's Olympic development program, committed to the University of Florida as a junior where she said the coaches want her to play an attacking position. As for where she'll line up during her senior season at East Lake, Nalley said she and Daves haven't discussed that yet. "I like playing forward, but I'm probably needed more in the midfield," she said.

### Second Team
